*I am a Junior Civitan:
An aware citizen of today,
The standing promise of tomorrow.*

*I seek to meet the
needs of our world,
To be progressive
in a world of change
With compassion
and understanding for
The values and traditions
of the past.*

*I value the security of knowing
That wherever I am
I will always be within reach
Of a fellow Civitan.*

*I dedicate myself
To society and to my fellow man
With a commitment
To make the world a better place.*
