

# COMFORTABLE SHOES, RHYTHM AND BLUES, AND MUSIC TO ROCK AROUND THE CLOCK

## DANCE-A-THON

Since 1974, Junior Civitan International, Junior and Civitan clubs of Canada and now the United States have sponsored the Dance-a-thon.

We dance and we dance—for twelve hours straight—and we do it because it is a rewarding challenge. The Dance-a-thon is one of Junior Civitan's top annual fundraising events. Junior Civitan leaders from throughout the United States and Canada take part. All proceeds benefit the Civitan International Research Center, an institution solely dedicated to the research of developmental disabilities and other cognitive disorders. We hope to raise more than \$60,000 through this international project this year!

## OUR ULTIMATE GOAL

The Civitan International Research Center has gained enthusiastic acceptance from both the scientific and academic communities and now has more than 200 scientists, clinicians, students, interns, residents, fellows, and staff from around the world representing 40 specialty areas.

Healthcare professionals in your area refer individuals from your community to the Civitan International Research Center. In this way, the Civitan Center's discoveries and accomplishments offer help and hope to people in your community and around the world.

**ALL PLEDGES MUST BE COLLECTED BY MARCH 7**

FOR MORE INFORMATION REGARDING JUNIOR CIVITAN AND THE CIVITAN INTERNATIONAL RESEARCH CENTER VISIT OUR WEBSITE AT [WWW.JUNIORCIVITAN.ORG](http://WWW.JUNIORCIVITAN.ORG).
