

Environmental Awareness Week Project

Report Form

Junior Civitans have made a commitment to make the world a better place. What better way to do this than to actually improve the environment around you. Every club's participation is needed. Junior Civitan International is interested in hearing about your club's environmental project. Fill out the following report and send in your outstanding Environmental Awareness Week project to receive a participation banner patch.

Junior Civitan Club _____

District _____

Brief description of environmental project _____
